We will not provide home-to-school distances to applicants ahead of a formal application being received and an offer being made.

You can use Google maps to calculate an approximate distance between two points for the purpose of deciding which preferences to name on your application.

Historical distance information is only a guide as the cut-off distances vary from year-to-year. Even if you live within the cut-off distance for a previous year, there is no guarantee that your child will obtain a place at that particular school for next September.
